Emperor Zhengtong
No beacon fires along the border alarming the invading enemy.
Heaven is clear and earth enjoys peace.

Yongle Northern Canon
In May and June, 2011, I spent three weeks at the East Asian Library, University of
information on Chinese language and printing culture. They are texts of great
variant editions, and records of revisions, will be presented in the electronic versions of
both
Daizōkyō
Buddhist canon were created by Ieyasu Tokugawa from Sugiyama Temple of the Shingon
century, now preserved in Zōjōji Temple, is nearly complete. It totals 1,357 volumes in 124
totaling 5,228 volumes.
Wakokubon

東皋
recorded in the middle border between two pages of a printed sheet. The two
